

Aberdeen Township

NJ Urban and Community Forestry Program

2016 Approved Status

YES

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	1999
Second 5-year Management Plan Status	Approved	Second Management Plan Approved to start in	2005
Third 5-year Management Plan Status	Approved	Third Management Plan Approved to start in	2015
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Paul Rinear	Most Recent Plan Expires on December 31st of	2019

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Paul Rinear Primary CORE Municipal Employee Carol Kozma

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits 12 Number of Individuals Who Have Acquired CEU Credits to date in 2016 4

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2000
Second 5-year Management Plan Status	Approved	Second Management Plan Approved to start in	2005
Third 5-year Management Plan Status	Approved	Third Management Plan Approved to start in	2010
Fourth 5-year Management Plan Status	Approved	Fourth Management Plan Approved to start in	2015
ManagementPlanContactName	Charlene Costaris	Most Recent Plan Expires on December 31st of	2019

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer

Charlene Costaris

Primary CORE Municipal Employee

Michale Ball

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits

15

Number of Individuals Who Have Acquired CEU Credits to date in 2016

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Grant 2011	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Rebecca Szkotak Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

Yes

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2008
Second 5-year Management Plan Status	Approved	Second Management Plan Approved to start in	2014
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Cecilia Covino	Most Recent Plan Expires on December 31st of	2018

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Chesley Snider Primary CORE Municipal Employee Daniel Shea

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits 6 Number of Individuals Who Have Acquired CEU Credits to date in 2016 5

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2008
Second 5-year Management Plan Status	Due 2013	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Donald Banks	Most Recent Plan Expires on December 31st of	2012

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Patrick Rebecca Primary CORE Municipal Employee William Farally

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2016 Due 2/15/2017

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2009
Second 5-year Management Plan Status	Approved	Second Management Plan Approved to start in	2015
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Donna Zilberfarb	Most Recent Plan Expires on December 31st of	2018

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Alan DeCarolis Primary CORE Municipal Employee Wendy Buttgereit

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits 10 Number of Individuals Who Have Acquired CEU Credits to date in 2016 2

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

Yes

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2007
Second 5-year Management Plan Status	Approved	Second Management Plan Approved to start in	2015
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Robert Egner	Most Recent Plan Expires on December 31st of	2019

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Grant 2011	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	William H. Burr, IV, P.E.	Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2016 Due 2/15/2017

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Awaiting Amendments	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Leonard Ho	Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Susan Jeans Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits 2 Number of Individuals Who Have Acquired CEU Credits to date in 2016 1

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2016 Due 2/15/2017

2016 Approved Status

YES

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2001
Second 5-year Management Plan Status	Approved	Second Management Plan Approved to start in	2006
Third 5-year Management Plan Status	Approved	Third Management Plan Approved to start in	2011
Fourth 5-year Management Plan Status	Approved	Fourth Management Plan Approved to start in	2017
ManagementPlanContactName	Shari Spero	Most Recent Plan Expires on December 31st of	2020

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2016 Due 2/15/2017

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2010
Second 5-year Management Plan Status	Due 2015	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Kenneth Jaekel	Most Recent Plan Expires on December 31st of	2014

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

Yes

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2002
Second 5-year Management Plan Status	Approved	Second Management Plan Approved to start in	2008
Third 5-year Management Plan Status	Approved	Third Management Plan Approved to start in	2013
Fourth 5-year Management Plan Status	Due 2018	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Matthew Ambrosio	Most Recent Plan Expires on December 31st of	2017

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Geoffrey Geary Primary CORE Municipal Employee Matthew Ambrosio

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits 10 Number of Individuals Who Have Acquired CEU Credits to date in 2016 2

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2004
Second 5-year Management Plan Status	Approved	Second Management Plan Approved to start in	2009
Third 5-year Management Plan Status	Approved	Third Management Plan Approved to start in	2014
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Matt Kaelin	Most Recent Plan Expires on December 31st of	2018

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer David Austin Primary CORE Municipal Employee Thomas Ryan

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits 5 Number of Individuals Who Have Acquired CEU Credits to date in 2016 1

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

YES

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2003
Second 5-year Management Plan Status	Approved	Second Management Plan Approved to start in	2008
Third 5-year Management Plan Status	Approved	Third Management Plan Approved to start in	2013
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Harry Smith	Most Recent Plan Expires on December 31st of	2017

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Henry Schumacher Primary CORE Municipal Employee Harry Smith

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits 8.5 Number of Individuals Who Have Acquired CEU Credits to date in 2016 5

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2016 Due 2/15/2017

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Grant 2011	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer John Frost Primary CORE Municipal Employee Jan Petrik

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits 3 Number of Individuals Who Have Acquired CEU Credits to date in 2016 1

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2015
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Charles Sabatini	Most Recent Plan Expires on December 31st of	2019

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	N/A	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Approved	Initial Management Plan Approved to start in	2000
Second 5-year Management Plan Status	Grant 2008	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName	Robert Cabana	Most Recent Plan Expires on December 31st of	2004

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

NJ Urban and Community Forestry Program

2016 Approved Status

NO

Approved status confirms compliance with the requirements to receive and maintain local urban and community forestry program accreditation by the NJ Urban and Community Forestry Program in accordance with the NJ Shade Tree and Community Forestry Assistance Act. If there is a NO in the box above, please check the requirements below to determine the requirement your program is missing.

To receive and maintain approved status, the community's program must stay up to date with these four requirements:

1. Community Forestry Management Plan
2. Core Trained Community Representatives
3. Continuing Education Credits (CEUs)
4. Annual Accomplishment Report

1. COMMUNITY FORESTRY MANAGEMENT PLAN

A current approved Community Forestry Management Plan is required for Approved Status.

Initial Management Plan Status	Grant 2013	Initial Management Plan Approved to start in	N/A
Second 5-year Management Plan Status	N/A	Second Management Plan Approved to start in	N/A
Third 5-year Management Plan Status	N/A	Third Management Plan Approved to start in	N/A
Fourth 5-year Management Plan Status	N/A	Fourth Management Plan Approved to start in	
ManagementPlanContactName		Most Recent Plan Expires on December 31st of	N/A

2. CORE TRAINED COMMUNITY REPRESENTATIVES

The Act requires each municipality/county have at least two CORE Trained individuals, one municipal employee and one community volunteer who must be currently active in the program. An elected official will qualify as either a municipal employee or a community volunteer.

Primary CORE Volunteer Primary CORE Municipal Employee

*Additional CORE Trained Representatives are listed on Page #2 of this Status Report.

3. CONTINUING EDUCATION UNITS

At least two individuals representing your municipality/county must accrue a total of 8 Continuing Education Units (CEUs) annually to maintain approved status. Any individual can attain CEUs on behalf of your municipality/county, they do not have to be CORE trained. CORE Training does not count toward CEU credits.

2016 CEU Credits Number of Individuals Who Have Acquired CEU Credits to date in 2016

*Details about CEU's are listed on Page #2 of this Status Report

4. ANNUAL ACCOMPLISHMENT REPORT

An Annual Accomplishment Report details Community Forestry Management Plan implementation. An Annual Accomplishment Report and cover sheet developed in accordance with the community forestry program guidelines must be submitted by February 15th each year detailing the prior year's work.

Annual Accomplishment Report for 2016 Due 2/15/2017
